

PRE-PARTICIPATION PHYSICAL EVALUATION FORM (PPE)

The IHSAA Pre-participation Physical Evaluation (PPE) is the first and most important step in providing for the well-being of Indiana's high school athletes. The form is designed to identify risk factors prior to athletic participation by way of a thorough medical history and physical examination. The IHSAA, under the guidance of the Indiana State Medical Association's Committee on Sports Medicine, requires that the PPE Form be signed by a physician (MD or DO), nurse practitioner or physician assistant holding a license to practice in the State of Indiana. In order to assure that these rigorous standards are met, both organizations endorse the following requirements for completion of the PPE Form:

1. The most current version of the IHSAA PPE Form must be used and may not be altered or modified in any manner.
2. The PPE Form must be signed by a physician (MD or DO), nurse practitioner or physician assistant only after the medical history is reviewed, the examination performed, and the PPE Form completed in its entirety. No pre-signed or pre-stamped forms will be accepted.
3. **SIGNATURES**
 - The signature must be hand-written. No signature stamps will be accepted.
 - The signature and license number must be affixed on page three (3).
 - The parent signatures must be affixed to the form on pages two (2) and five (5).
 - The student-athlete signature must be affixed to pages two (2) and five (5).
4. Distribution
 - History Form retained by Physician/Healthcare Provider
 - Examination Form and Consent and Release Form signed and returned to member school.

Your cooperation will help ensure the best medical screening for Indiana's high school athletes.
